Haven't you done enough ?

I am not interested in you. Your taste, I have no problem with. But I won't try to understand, either. Don't you have any kind of pride ? Chasing someone who isn't even remotely interested in you, it's all about pride.

His ashes were
spread into sea

He was on drive
with his friends and
got into a car accident
All died they said

A flower was given to
his desk for one day
and that was it

Then I realized that
there was really nothing

Perhaps, it was love.
Perhaps, he could have loved me back.
There was no answer...

I dec ded s nce then
When I f nd my next one I w ll not hesitate
